*A bimonthly ministry and prayer update*

November - December 2009

Dear Friends in Christ,

Greetings in the name of the Lord! We are back in the Ohio area and starting to plan our return to the West next week. It is incredible how fast time flies! In the past two months, we have been very busy traveling. We praise the Lord for His protection and direction during all this time. Several times we have seen the hand of the Lord behind the wheels, one of them when a car on our left missed a stop sign and passed us very close right behind us at full speed! Many thanks for your prayers!

a tremendous blessing and encouragement to us. We pray the Lord will bring everlasting fruit among those we have been around.

We are very thankful for the good response we have had from the churches we visited these past few weeks. We have been involved in several missions conferences and many meetings on Sundays and Wednesdays. Each one has been

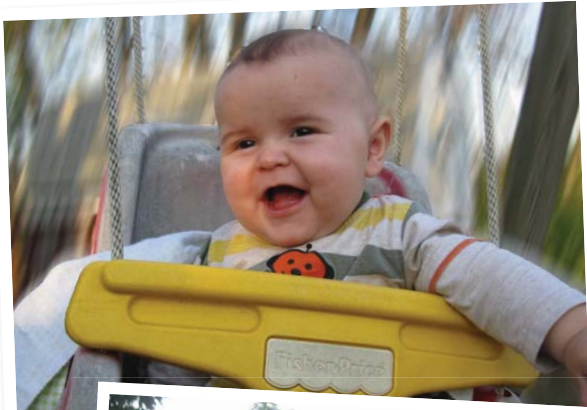

We also praise the Lord for His provision through His faithful servants, who, with a sacrificial heart, have provided for our needs. Thanks to Pastor Rick Pardee who has let us use his minivan for our time in the Midwest and for those who lent us the playpens and car seats! Thanks to a dear brother who paid for new tires for our van, to Pastor Vogel who graciously allowed us to stay in his apartment for several weeks while in Ohio, and to all of those who have hosted us during meetings and missions conferences. This means so much to us!

A couple of weeks ago while in a conference, I had the privilege of going soul winning with Pastor Royalty in Ohio. What a blessing it was for us to be able to reach for Christ a grandfather and his grandchild to the Lord. Both of them are Hispanics, and while I was witnessing to the grandpa, who did not speak English, Pastor led to the Lord the boy, who was able to speak English.

Praise the Lord! This is always a treat for me to be able to witness freely in my own language, without my tongue and thoughts becoming entangled! That is why we are here—to win souls for Christ, no matter where. The Hispanic world in the States is an incredible open door. May the Lord raise up many Hispanic pastors in the States. The fields are white unto the harvest!

although it is going to be much more expensive, we see that is the right decision to follow. After 9/11 immigration has become more strict in giving visas, and it is almost impossible doing that without an immigration lawyer. Please pray that they will give us two more years to finish our deputation. By the way, one of the privileges that we have being national missionaries is that we will not have to go through this process (or language school or cultural shock) when we return to Spain.

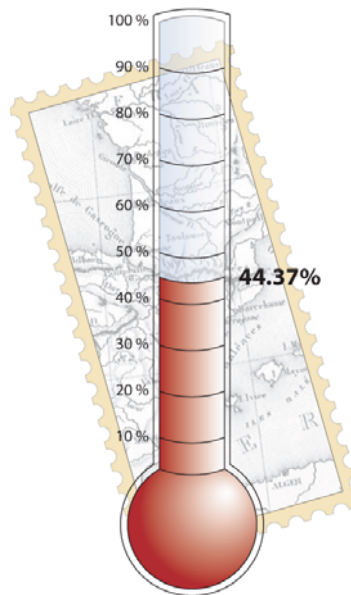

*First meetings in Tarragona*

Once more, thanks for your prayers and support. Our work in the States or in Spain would be impossible without your help. May the Lord bless you.

The Segurado Family

Our schedule is right now very full, and we are looking forward to the meetings we have ahead of us. Next week we are going to be flying to Denver to drive the next day to New Mexico. We will spend a week there and drive to California at the end of the month. We have around 23 meetings scheduled until April and then back to New Mexico, Texas, and Georgia. We pray to see a significant increase in our support in the coming future. Yes, the world is in crisis, but we serve a great God Who owns “the cattle upon a thousand hills.” These are tremendous verses that we should read and meditate on often—Psalm 50:9-12.

To conclude this letter, we would like you to pray for us in a very special way. As I mentioned before, we are now in the process to apply for an extension of our visa in the States. This is a more complicated process than we thought. Wisely our mission board asks us to do it through a lawyer, and
